Join us for a summer of friends, activities and summer fun! Our two session program features classes for children ages 10 months through first grade.

Family Center

Our youngest children and parents begin their journey in the ECC Family Center. Family Participation classes include programming for parents and children 10 – 24 months and our Transition Class for 2 year olds with a parent. Our Family Center makes a great entry into our program.

Pre-School

We offer classes 2, 3 or 5 days per week, depending on your child's age. A rotation of activities will fill your child's day. Summer themes will be explored through imagination, creative play, and special visitors. Activities will include water play, mini-sports, music, science, arts and crafts and Jewish celebrations!

Camp Simcha

Looking for a camp that combines the best of your summer memories with Jewish content in a small and nurturing environment? This is it! With special visitations, your child's day will be filled with fun. Activities will include arts and crafts, science, drama/theatre, sports, cooking and Jewish character building. We have something for every child. Camp Simcha is a camp for children who are either entering Kindergarten or first grade. This program runs, 3 or 5 days, from 9:00 a.m. through 2:00 p.m. Our a.m. and p.m. daycare are also available to our Camp Simcha friends. See our Extended Care Program for details.

Afternoon Programming

Temple Beth El's Enrichment classes are held 5 days per week from 12:30pm – 2:00pm each day. After lunch at 12:30pm your child will move on to their enrichment class. Children who are at least 3 years of age and toilet trained are eligible for these optional classes.

Monday – Mix n' Stir

During this time our campers will create yummy snacks. This hands on activity will incorporate our summer themes into the treats they prepare.

Tuesday – Let's Explore Sign Language

Your child will get their first opportunity to learn about the world of American Sign Language. The weekly lessons will follow the Summer themes and curriculum and will be a lot of fun for the children.

Wednesday – Español Para Los Niños

Our young friends will be introduced to the Spanish language through fun activities and games. They will learn colors, shapes, numbers and more during this time together.

Thursday – Young Art Masters

Amy Linder, local artist, will again lead our little artists in this popular enrichment class. On an early childhood level, they will learn about artists, different mediums and experience different processes.

Friday – Amazing Athletes

Amazing Athletes have been with us for several years and always prove to be a great enrichment class. This unique tried and tested sports program incorporates balance, hand-eye coordination and sports into an active, fun-filled afternoon.

Extended Care Program

This optional program is in addition to our core hours. Your child must be enrolled in our regular program and enrichment classes, or Camp Simcha in order to participate in the extended care program. Drop-in care may be available on a limited basis.

Breakfast Club 8am—9am

Our early drop off program will run from 8am—9am. Breakfast is provided, and will vary from day to day. Your child will then have free time to play. At 9am, your child will be escorted to his/her classroom where they will begin their day.

Snack Buddies 2pm—3pm

At 2pm your child will be escorted from the enrichment class to the Snack Buddies. Here a nutritious snack will be served, and will vary from day to day. Your child will have free time to enjoy playing or relaxing in a fun and friendly environment. Your child must be picked up by 3pm.

Policies & Procedures

Tuition is due in full on May 1, 2010. No tuition reductions or make-up days are available. **In addition, no refunds will be given after June 1, 2010.** TBESOC members in good standing will receive 10% sibling discount on the lower tuition and enrollment priority. Two payment options are available: **1) Pay by credit card 2) Pay by check.** A charge of \$25 will be incurred for any declined credit cards. If payment is not received by May 1, 2010 the space may no longer be reserved for the child. We reserve the right to pursue collection of all accounts in arrears for the recovery of all sums past due by cashier's check. Temple Beth El of South Orange County Early Childhood Center (TBESOC ECC) and related organizations may use pictures of my child in their promotional materials, including both printed and electronic media. **Please note: ALL Department of Social Services Forms must be turned in for all new students prior to your child starting school.**

Hours of Operation

Our hours of operation are 8am – 3pm, which includes the following options:

- 8 am – 9 am: Breakfast Club
- 9 am – 12:30 pm: Core Program
- 12:30 – 2 pm: Enrichment Classes
- 2 pm – 3 pm: Snack Buddies

Please note Camp Simcha runs from 9 am – 2 pm daily with the option of Breakfast and Snack Buddies.

After a 5 minute grace period, a \$25 late pick-up penalty will incur for each 15-minute interval that a child is still at the ECC after their scheduled day.

Termination and Withdrawal

TBESOC ECC reserves the right to terminate enrollment under any of the following conditions:

- Refusal to follow through on the recommendation for therapeutic intervention.
- Dangerous and/or abusive behavior by any family member
- Administration determines that the child needs an environment that the Early Childcare Center is unable to provide.
- Failure to pay appropriate fees.

Illness Policy

TBESOC ECC administrators realize the difficulty in finding alternative care for sick children. Adhering to our illness policy is for your child's protection, the protection of all the children, and the center's staff. Planning in advance to provide substitute childcare for your child when sick will avoid last minute worries.

- Children who get sick while at the center must be picked up by the parent or other authorized person within one hour of contact.
- Children running a fever must be fever free for 24 hours before returning to the center.

Class Placement

Placement of children is based on developmental readiness as well as chronological age. The final decision about placement rests solely with the ECC Director of Education.
